

25th Annual Central States Threshermen's Reunion

Steam School

June 6th&7th, 2026
Pontiac, Illinois

\$80 registration fee includes camping space, coffee and donuts, lunch both days and classroom materials ~ \$70 for additional family members.

Steam school is designed for beginning and intermediate engineers.
The emphasis is on safe engine operation.

Morning schedule is classroom Power Point presentations covering:
Properties of steam, Boiler Basics, Running the Engine, Lubrication, Injector Operation, Boiler Maintenance, Boiler Restoration, Piping-Valves- Pumps, Miscellaneous Topics, Real Life Scenarios, and Emergency Procedures.

Afternoon sessions are hands on firing and running of engines with experienced engineers.
